In regular laminates, the base paper pattern design is not in matching with surface texture. To get real natural effects of veneer, surface texture is in synchronization with decor paper pattern. The design that you see is same as you feel the surface of laminate.

- **Do not use chemists for cleaning**
- **Avoid direct sunlight/continuous light. These may cause to colour fading.**
- **Errors were required in initial cutting of leaded sheet on frame to prevent swelling due to build-up of uniform pressure.**
- Designing any corners and panels ends may be caused by temper melting/flowing, tempering bending, poor adhesion. Avoid these to prevent welding of corners.
